Regulations governing Certificate and Diploma and other courses for jyotishya framed under Chapter II, section 5, sub-section 1 & 2 of Karnataka Samskrit University Act, 2009.

Preamble:

A number of Astrological Educational Institutions in Karnataka State are functioning to promote and provide vedic astrology to the public irrespective of caste, creed and religion. They have been conducting Jyotishya Courses from more than three decades. There are Three year course named as Jyotishya Pravesha, (1st year), Jyotishya Praveena (2nd Year) and Jyotishya Vibhooshana (3rd year). There are over 5000 students studying in these courses. The managements of all these institutions approached the KSU for recognizing the course under the framework of the University. The courses offered by these institutions are different from one another. There is no elaborate, detailed and uniform study of Astrological subjects. In order to bring uniformity and maintaining the standard Karnataka Sanskrit University has taken up extensive measures with the following objectives.

OBJECTIVES:

1. To promote the knowledge of Astrology and allied subjects in India & abroad by imparting standardized education in these areas.
2. To conduct scientific research on Astrology and allied subjects..
3. To standardize Astrological predictions and to promote scientific Astrologers and palmists.
4. To bring standards in the syllabus of on Spirituality, occultism, Yoga, Vastu, Palmstry, Vedas, Upanishads for the development of Vedic sciences to strengthen ethical and moral values of our society.
5. To apply this knowledge for Management, Medicine, Economics, Mundane matters etc in as acceptable manner.
